WORK EXPERIENCE

- Mississippi State University – Mitchell Memorial Library** 1994 - Present
- Discovery, Systems, and Innovation Librarian
Associate Professor of Practice 2023 - Present
Collaborate with and instruct on the usage, development of emerging discovery systems and other innovative technologies and research methodologies for accessing library information. Administer the current ILS and serve as the Director of the Mississippi Library Partnership.
 - **Director of Mississippi Library Partnership** 2022 - Present
Added role of director to previous responsibilities which include overseeing the daily requirements of the Mississippi Library Partnership (MLP), working with Business Manager with contracts, MOUS, and other supporting documents for the consortia.
 - **Automations System Manager** 2016 - 2023
Handles the daily, weekly, monthly, and annual administrative duties and tasks related to Mississippi Library Partnership's (MLP) integrated library system (ILS), SirsiDynix Symphony. The position serves as the Help Desk for the MLP and requires daily communication with various member institutions of the consortium providing technical support and provides assistance in the use of the ILS.
 - **Computer Systems Assistant** 2004 - 2016
In addition to previous responsibilities, became the system administrator for the Integrated Library System (ILS), and became the main contact for consortia members regarding issues with the system. This involves running statistics, reports, and general troubleshooting of the ILS as well as consortia policies.
 - **Computer Systems Assistant** 1996 - 2004
Assisted and directed students in the deployment of equipment to faculty and staff, troubleshooting of current computer equipment. Training employees in various software applications, creating applications to meet the needs of departments in the library for data and statistical collection, appointed as the Library Equipment officer and received perfect audits.

- Library Technical Assistant level 6** 1994 - 1996
 Duties included serials and analytics copy cataloging, authority work, assigned tasks for maintaining the integrity of the data in the online catalog. Assisted in supervising student assistants.
- Library Technical Assistant** 1994
 Prepared items for the shelves after being cataloged by the cataloging department, computer work, linking barcodes to the correct bibliographic titles in the Integrated Library System (ILS), and other projects as assigned.
